Monday, 17th September

10:30 Press Conference (TBC)

Format of the conference

Panel Discussions: Moderators will introduce each topic for 7-10 minutes. Each panellist is kindly requested to speak for 5-6 minutes, following which the discussions will be open to all participants. Please note that each intervention should be no more than 4 minutes. Power-point presentation projector will be available. The discussions will be followed by comments from the panellists and conclusions by the moderator and rapporteur.

Recommendations and Concluding Session: The rapporteur of each session will present a summary (about 5 minutes). Team for preparing Recommendations will present their proposal, followed by a Q & A session involving all participants, and concluding remarks by five panellists.

During 2012 several conferences devoted to nuclear disarmament have been held and will be held and this one is a part of this endeavour. Therefore, material from preceding conferences and meetings are an input to this conference, as well as papers submitted by participants to this meeting. References and Introduction to this input material are an integral part of this Final Announcement.

Outcome of the Conference: Declaration of the Dubrovnik conference; Proceedings - to be published: options: special NATO publication, journals of the World Academy, dissemination of the conference results and the reports produced to the ELN membership, and Međunarodne Studije published by DHUC (not mutually exclusive); Press conference.
