

# 2<sup>nd</sup> Intl. Conference on Future Education

## Reconciling Vision of the Future

Education for a Peaceful, Inclusive  
and Resilient Society

---

Donato Kiniger-Passigli  
International Labour Organization

*"The Shadow of Desire"*

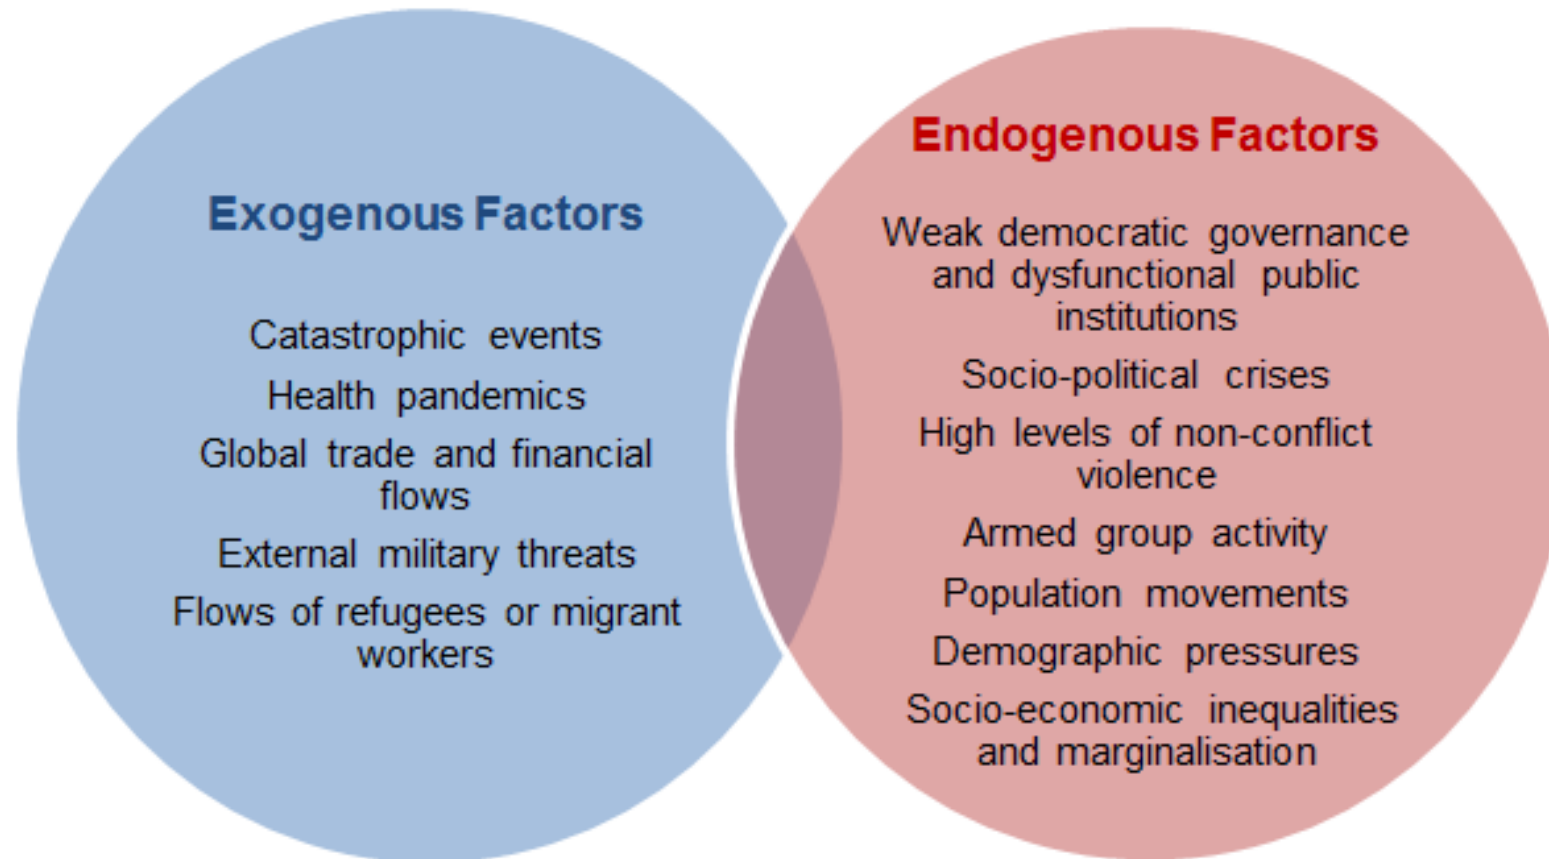

# ILO – A people-centred organization

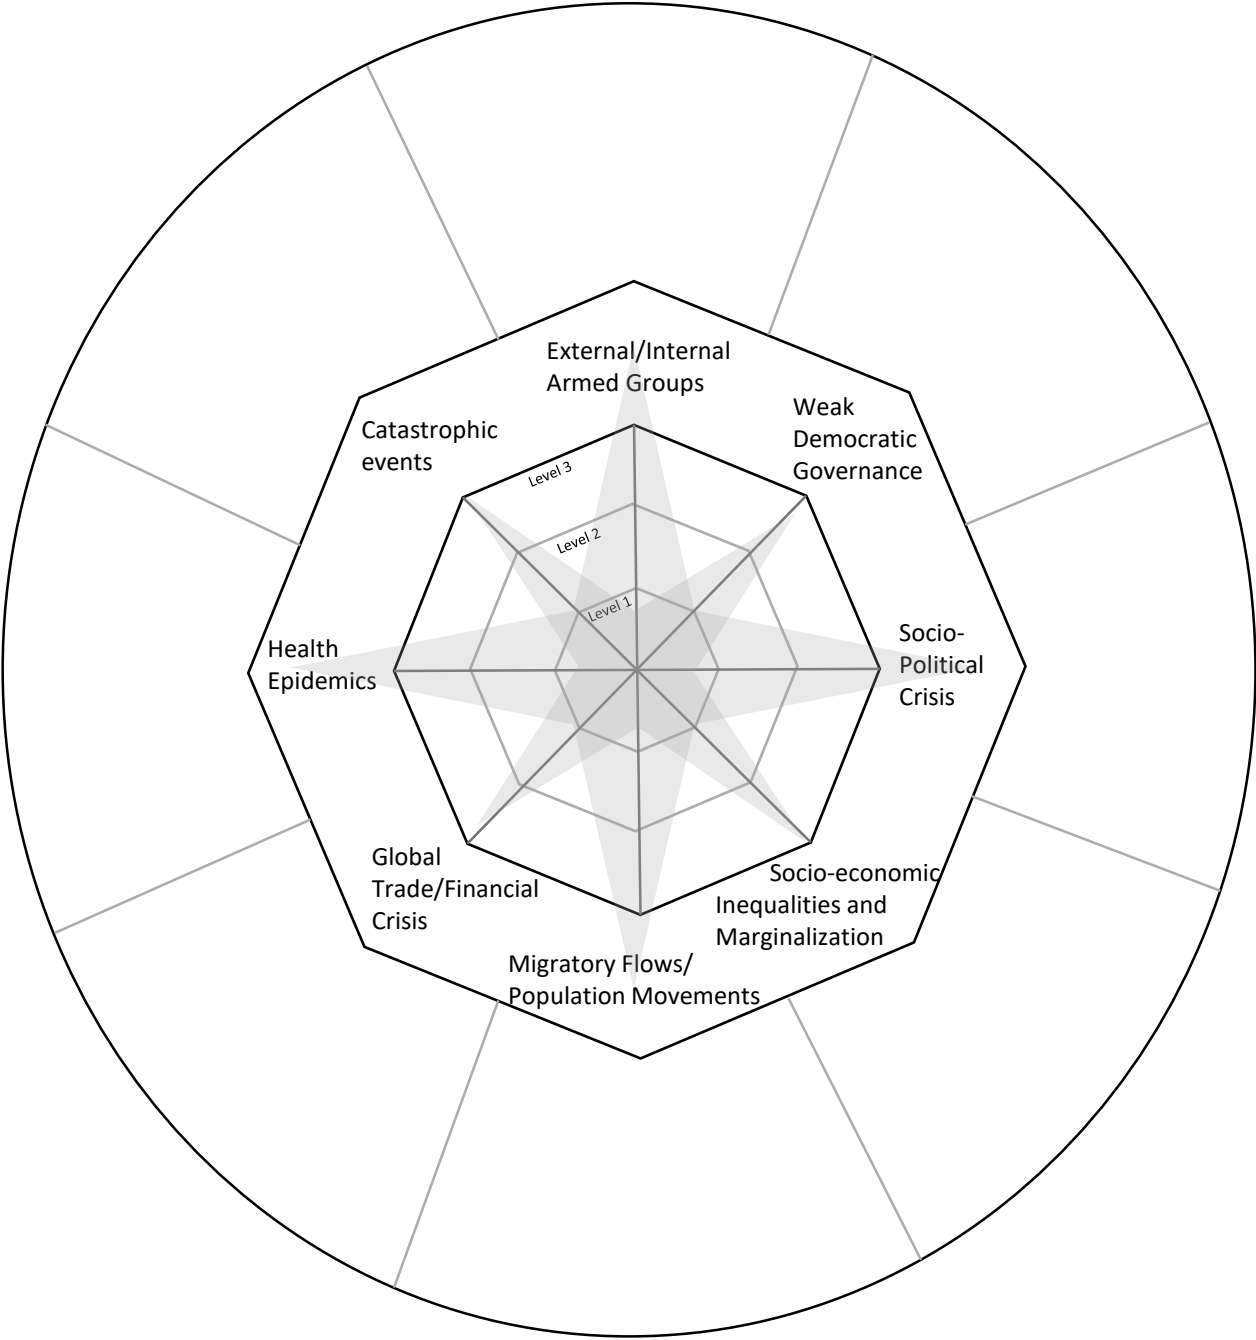

---

- Universal representation of the world of work
- Lasting Peace based on Social justice
- Decent work through employment generation, social dialogue, social protection and adherence to international labour standards
- Income security but also education, health care and occupational standards
- Linchpin between humanitarian and developing action – Agenda 2030

# Fragility factors

---

External/Internal  
Armed Groups

Weak  
Democratic  
Governance

Socio-  
Political  
Crisis

Socio-economic  
Inequalities and  
Marginalization

Migratory Flows/  
Population Movements

Global  
Trade/Financial  
Crisis

Health  
Epidemics

Catastrophic  
events

Level 3

Level 1

# The disaster response cycle

---

# Employment and decent work for peace and resilience Recommendation, 2017 (No. 205)

An up-to-date international labour standard for ILO constituents to address [employment and social issues](#) in crisis situations arising from [conflict and disaster](#).

The latest [normative instrument](#) of the ILO, adopted by the International Labour Conference in June 2017

## VI. Education, vocational training and guidance

- Provision of education for all children
- Second chance programmes
- Adapting programmes to emerging skill needs for recovery and reconstruction
- Adapting curricula to promote peace and resilience
- Training, retraining and economic empowerment in rural and informal economies
- Equality and opportunity for women and girls

# Vision for the Future : People First

## Global action against natural and human-made risks

---

- Reduce the scale and costs of humanitarian interventions / effectiveness
- Invest in education, professional experience, social networks and job-related skills and competences
- Adopt a people-centred approach helping local governance with bottom-up initiatives and supporting local people needs and aspirations, especially the youth
- Direct the energy and creativity of youth towards community resilience
- Promote a cultural change to support community-level engagements and social empowerment

# Vision for the Future

## Help Youth Become Employable....

---

- Mobilize key actors including government, workers' and employers' organizations, and civil society organizations focusing the attention on youth employability.
- Create programmes to help youth become employable (e.g. job search assistance, coaching, core skills training, demand-driven training programmes, and small-business creation)
- Address specific needs of the most vulnerable sub-groups of young people such as women, ethnic minorities, the disabled and conflict-affected.

# Vision for the Future

...For a Peaceful, inclusive and resilient society

---

- Minimize risks - invest in opportunities, in quality education and employment creation;
- Match educational skills with demand
- Expand and upgrade emerging skills, vocational apprenticeship, enhanced research and technological transfer
- Privilege positive peace / engagement versus negative peace
- Promote pedagogic approach based on trust, fairness , culture of peace
- Ethos/ Pathos /Logos – Ethical Approach –Values – Others First

# The Peace Effect : Three Theories of Change

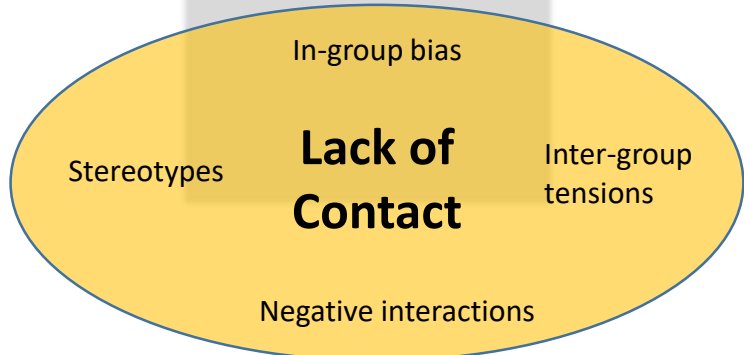

Peace outcomes  
Intervention outputs  
Drivers of adverse behaviour

Positive interactions at the work place

**Creating constructive contact**

Inter-group programme activities

Education and sustainable income

**Increasing opportunities**

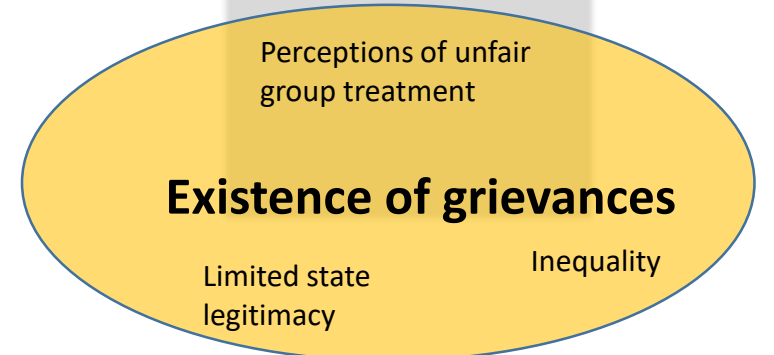

Access to counselling and skills training

Fair treatment and distribution of jobs and services

**Addressing grievances**

Targeting marginalized groups
