WHY DOES
ANCIENT
WISDOM
INSIST ON
HEALTH &
WHOLENESS?

HOW CAN WE IMAGINE WHOLENESS IN EDUCATION?

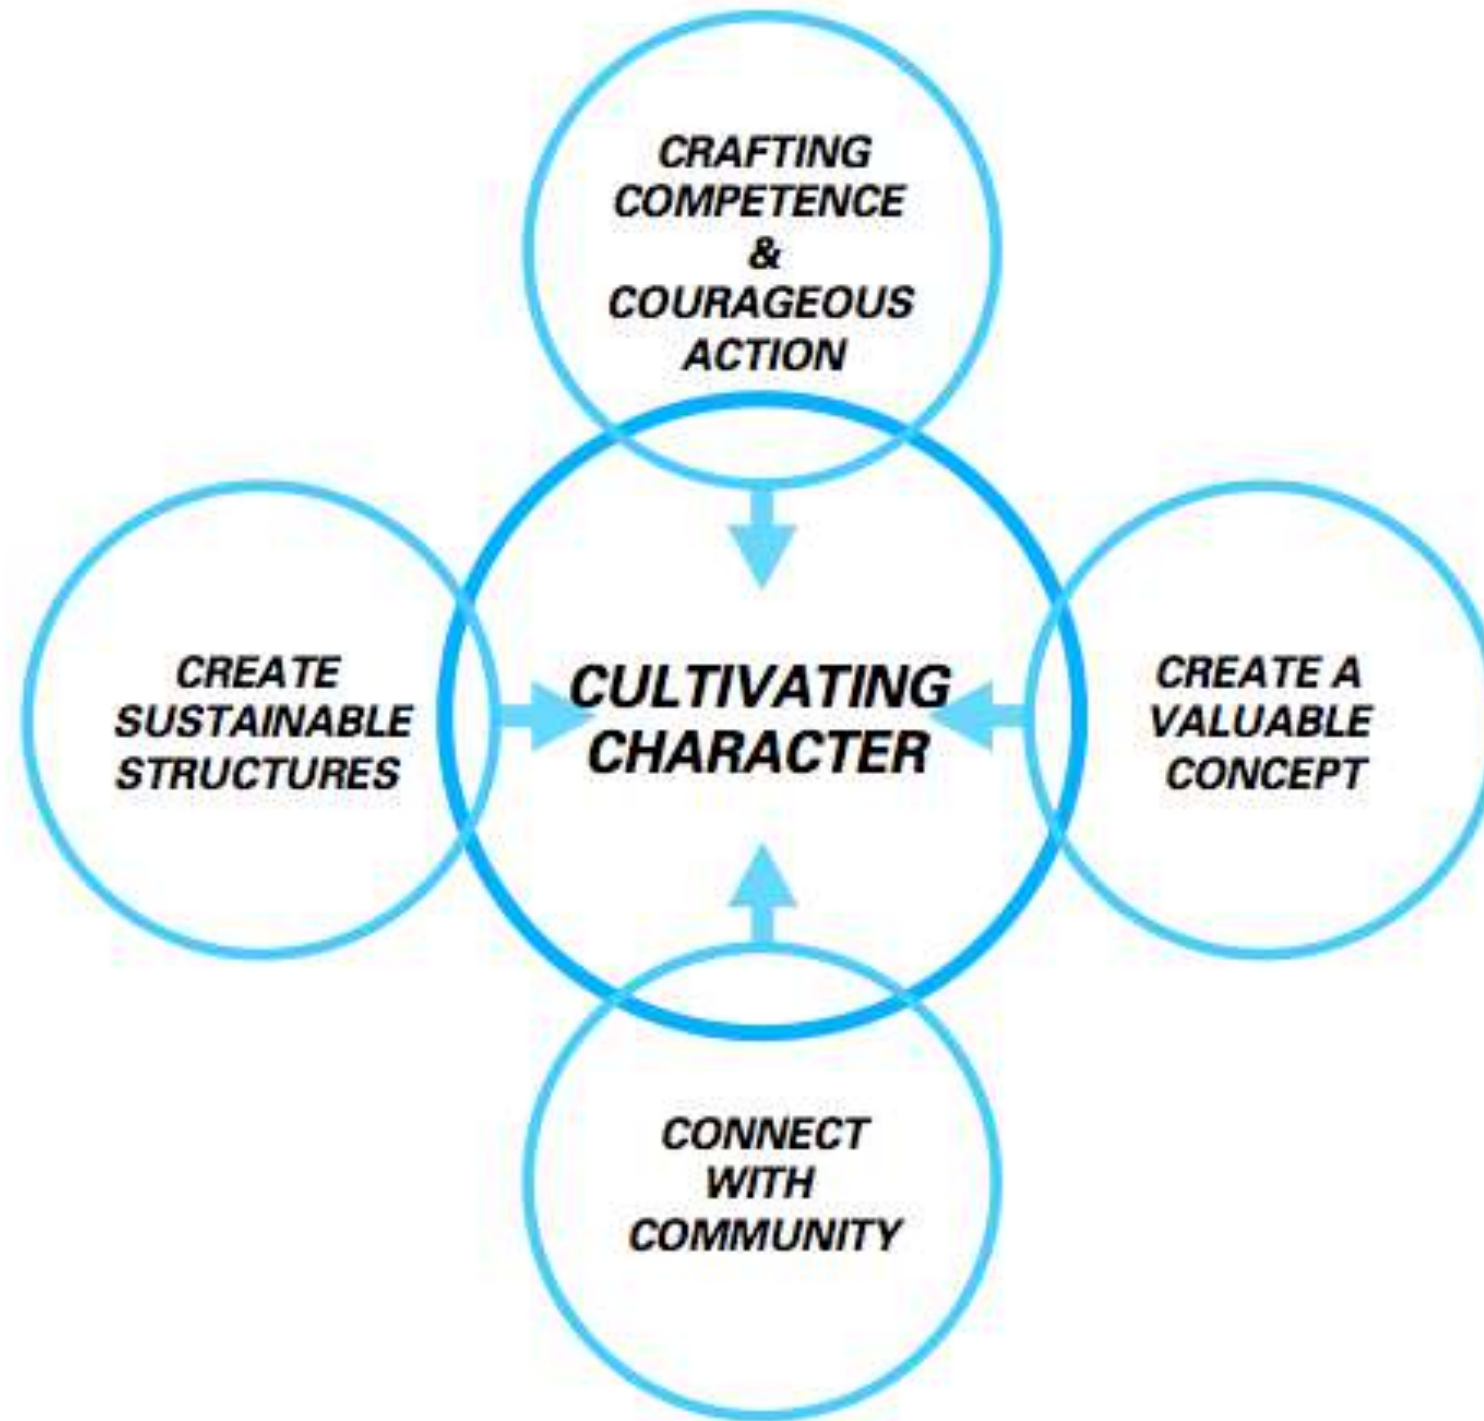

KaosPilots Switzerland is a
3 year full-time education for
creative leaders,
social innovators,
responsible entrepreneurs
and community builders in Bern.

We work in all fields of life - in arts,
culture, education, health, technology
and business.

OUR KAOSPILOT MODEL

The problem
is not the
problem.
The problem
is your
attitude about
the problem.

Do you
understand?

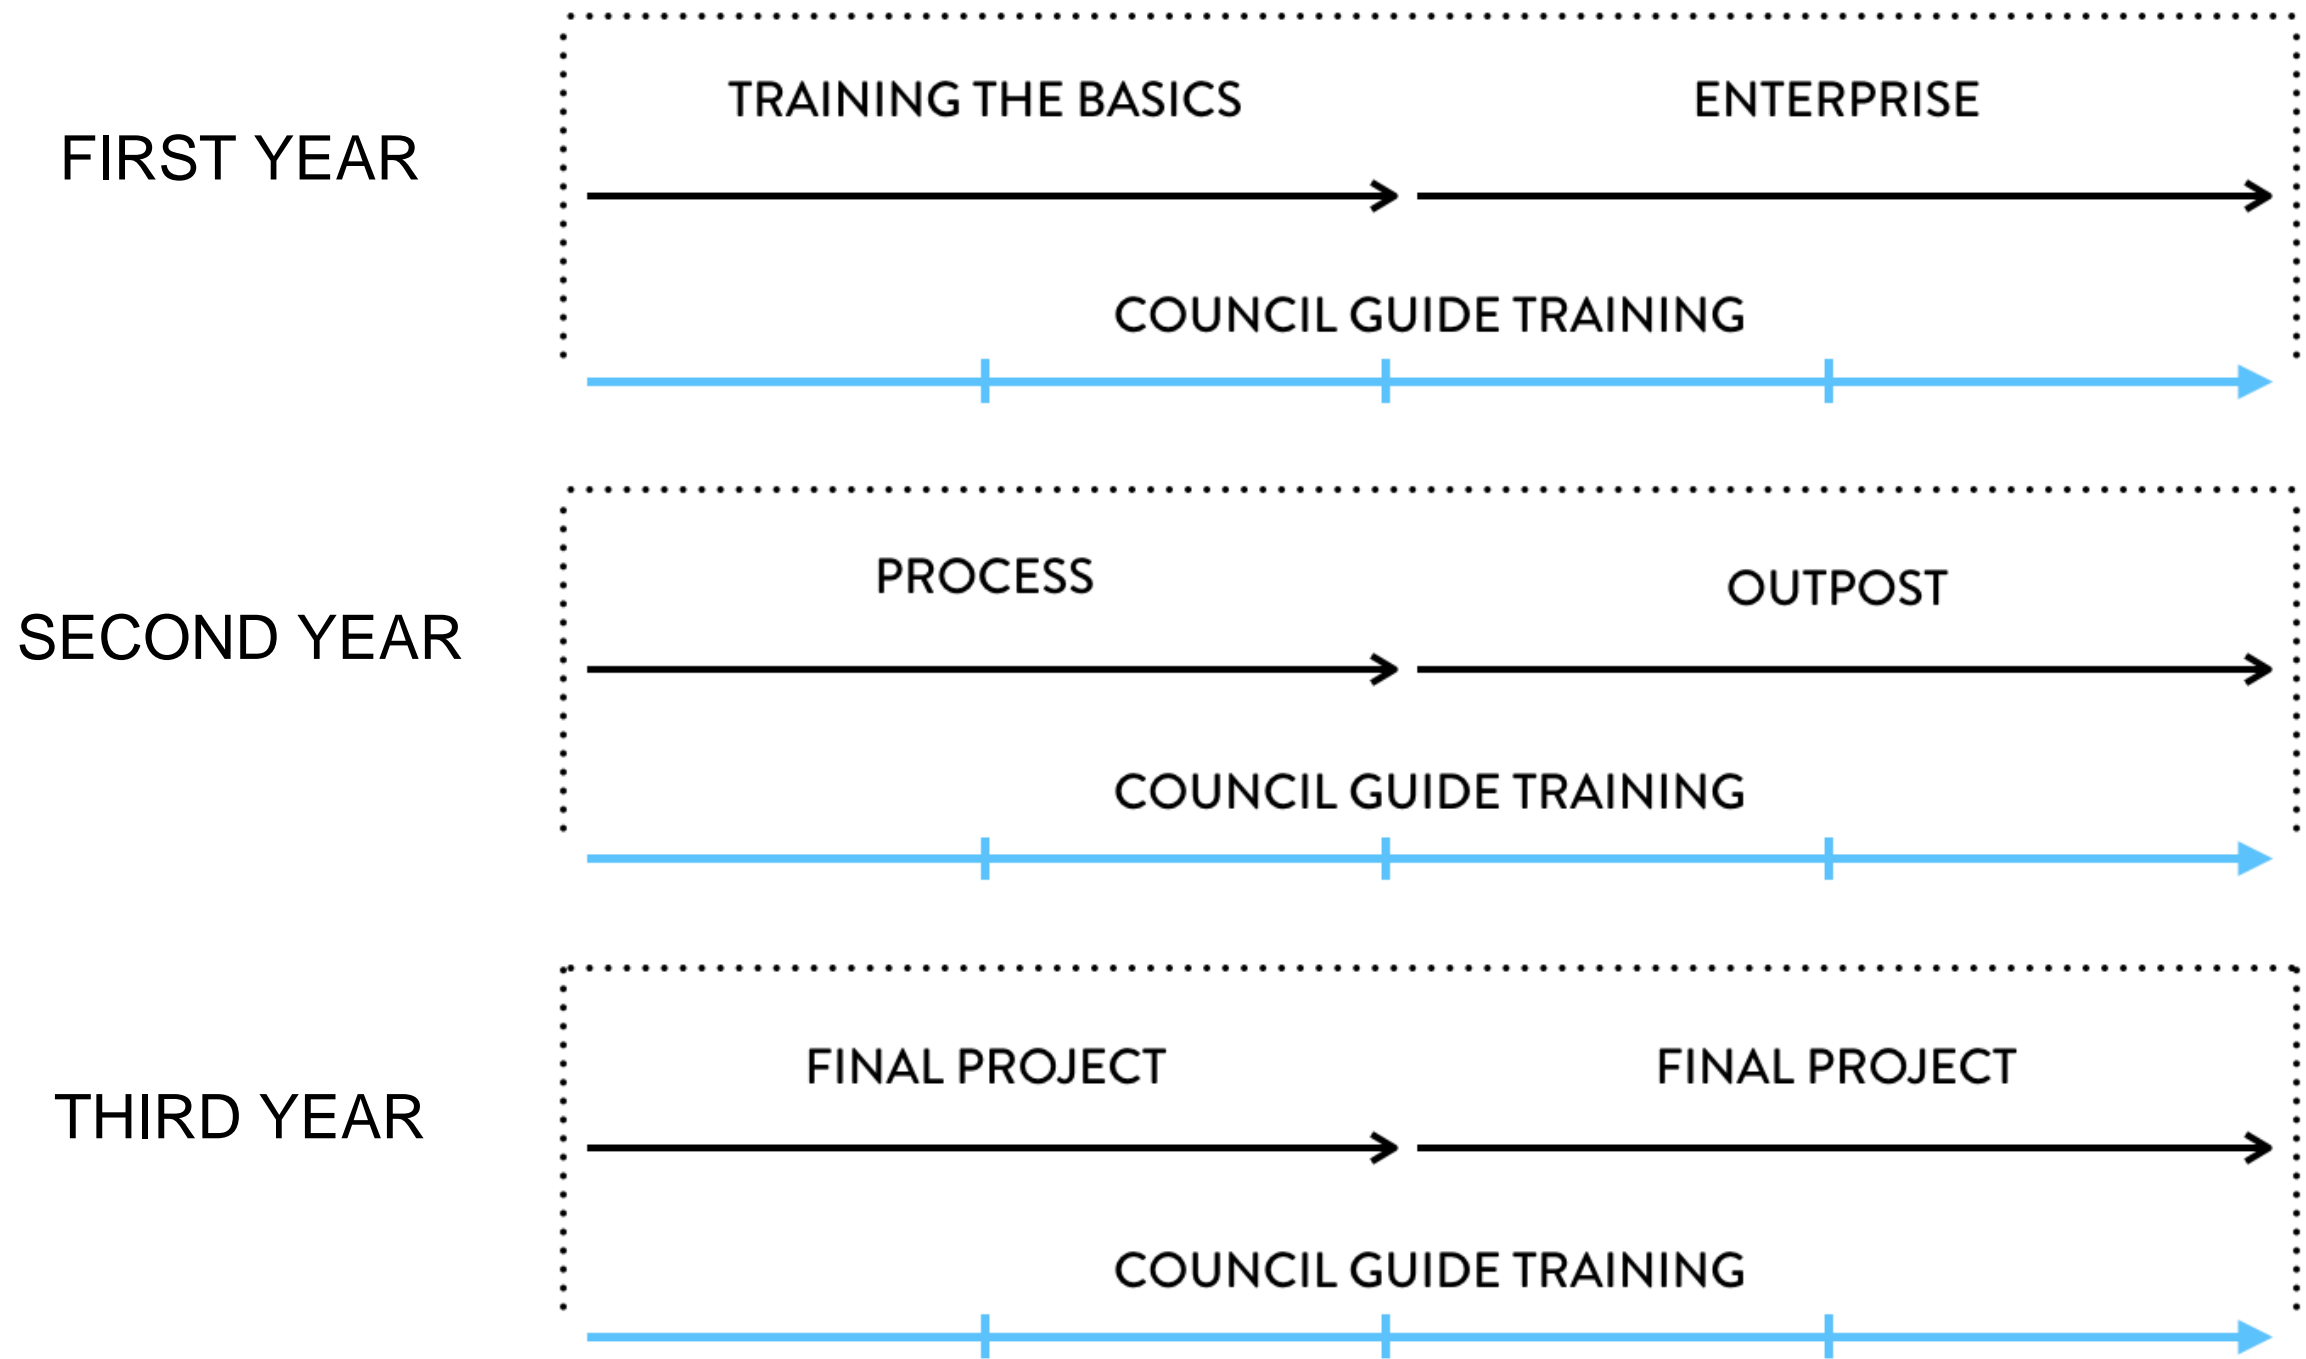

- Captain Jack Sparrow

It is kind of simple:

Learn, explore, ask questions, take risks, remember, talk to people you don't know, try stuff, prototype, learn to take feedback in any form, practice, read, listen, gather a community of like-minded people, love, be tough, smile, do your own inner work, speak clearly, tell stories, have fun, take time off, move from the heart, sleep and eat well, sell, exercise, write, teach, create products, insist on the middle way...
