

## Nominating letter for Dina Dragija

I hereby wish to recommend Dina Dragija for advancement from Junior Fellow to Associate Fellow. Given her experience and background, Dina is a valuable asset to WAAS. She is an exceptionally motivated person that contributed to the HS4A campaign substantially. She is now managing the UNWASTED initiative with great competence and entrepreneurship.

Dina is highly appreciated by WAAS colleagues and I am fully confident in her potential to contribute meaningfully to WAAS also in the future.

Thanking you for your consideration of the above,

yours sincerely

Donato
